What else can help you outrank your competitors:

- **Good content on your website.**
This includes adding optimized text, sub-headings and pictures. You can even have a blog section on your website.
- **Backlinks**
A few backlinks from other websites. These are essential as they tell Google how many websites refer you.
- **Accurate Information**
This includes adding your contact information, team members, clinic outside and inside pictures. These things help users win trust and reduce the bounce rate of a website.
