What else can help you outrank your competitors:

- **Good content on your website.**  
This includes adding optimized text, sub-headings, and pictures. You may even have a blog section on your website.
- **Backlinks**  
A few backlinks from other websites. These are essential as they tell Google how many websites refer you.
- **Accurate Information**  
This includes adding your contact information, team members, clinic pictures (outside and inside). These things will help in winning user trust and reduce your website's bounce rate.

## Your Competitors

- 5) <https://gentlechiropractic.co.nz/>

We have done a basic study of your competitors. Apart from their websites, we have analyzed their social media channels and Google My Business listings.

We assume that it should be **easy for Village Chiropractic to rank on Google** and be in front of users when they search for a chiropractor in Auckland.

## **Get Started**

To help you take your first step and start the journey, here are some actionable points.

**1) Get a Google My Business listing.**

[https://www.google.com/intl/en\\_in/business/](https://www.google.com/intl/en_in/business/)

**2) Optimize your website.**

We suggest you add **a little more content to your website**. Also, please add a few real pictures. Make sure that the keyword 'Chiropractor in Auckland' appears within the website content.

**3) Enhance your Instagram Account.**

We don't have much suggestion, you are doing great on Instagram. Keep it up. We suggest you just **add the location of your clinic** and more content in your bio. Share more real images and graphics. Make a strategy to get more followers and Likes. These should be very targeted people who live in Auckland.

**4) Run paid ads (If you have a budget).**

In case, you wish to reach more people, you may go for Facebook and Instagram ads.

**5) Create a business strategy.**

- Ask patients for referrals.
- Ask patients to write an online review for you.
- Click pictures with patients to showcase these on your social channels.
